THE CONCEPT IS SIMPLE:

The goal of ORT en Español is to bring together hundreds of Spanish speakers in the United States whose roots are in the Jewish communities across Latin America by highlighting their experiences and successes.

THURSDAY, SEPTEMBER 24, 2020

8:00 PM EDT • 5:00 PM PDT • VIA ZOOM

The content will be exclusively in Spanish and will be interactive.

Universidad ORT Uruguay has recently been named the best university in Uruguay and one of the top 500 in the world according to the ranking of a prestigious international body.

In 1996, ORT Uruguay University became the first private university in the country to be officially recognized by the government. It has more than 10,000 students including undergraduates, postgraduates, as well as students in career training and refresher courses. It offers the only Doctorate in Education in the country.

Congratulations to Mrs. Charlotte Grunberg, founder of ORT Uruguay University, and to Dr. Jorge Grunberg, University Rector.

WHAT IS ORT?

ORT is a global education network that is passionate about unleashing the potential of young people.

ORT provides a combination of high-level science and technology education with strengthened Jewish identity, bridging the gap between ability and opportunity.

ORT operates programs in Mexico, Argentina, Panama, Chile, Colombia, Cuba, Brazil, Peru, and Uruguay.

*Our network reaches **300,000 people** each year in more than **30 countries**.*
