

100 YEARS OF ORT IN AMERICA

The Florida Region Has Commissioned A Local Artist To Create This One-Of-A-Kind, Glass Serving Plate Which Includes The Limited Time ORT Logo.

Each Plate Is Hand Painted Just For You!

This beautiful limited-time plate is available for purchase in 2022 for the special price of \$100 to honor 100 years of ORT in America!

For 2022 only, we will be featuring this commemorative plate and the art of Lori Charnow. Lori is a self-taught Judaic artist specializing in reverse painting. She creates one of a kind, hand-painted functional “art-ware” designed to celebrate Jewish culture and family life.
